

SyberWorks Media Center Presents a New Article: “e-Learning in ‘the Cloud’”

Waltham, Massachusetts –September 9, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces an article available in the SyberWorks Online Media Center: “e-Learning in ‘the Cloud’” by Stuart Campbell, Director of Software Development for SyberWorks, Inc.

Mary Kay Lofurno, Director of Marketing at SyberWorks, states:

“This article discusses ‘Cloud Computing,’ in which applications are run on remote servers instead of being hosted on a user’s own hard drive. The article looks at both the advantages and disadvantages of this type of computing.”

The article is located in the SyberWorks Online Media Center at
