

## SyberWorks e-Learning Podcasts: Episode #8: *e-Learning Accessibility For Training Managers and Human Resource Professionals, Part 5*

Waltham, Massachusetts – April 11, 2007

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode in their e-Learning Podcast Series: “e-Learning Accessibility For Training Managers and Human Resource Professionals, Part 5.”

Dave Boggs, CEO of SyberWorks states:

*“It’s counterintuitive to think that Flash can be used to develop accessible e-Learning, but it is possible. In the fifth segment of this six-part series, Al Lemieux, Senior e-Learning Developer at SyberWorks, discusses how Flash applications can be rendered accessible for e-Learning development. Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series”*
