

SyberWorks e-Learning Podcasts: Episode #12: *Selecting The Proper Training Solution For Your Company's Needs*

Waltham, Massachusetts – August 9, 2007

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode in their e-Learning Podcast Series: “Selecting The Proper Training Solution For Your Company's Needs.”

Dave Boggs, CEO of SyberWorks, states, “This is the third episode of our miniseries that focuses on the business of learning management. In this episode, Mark Bower, President and CEO of [Edge Interactive, Inc.](#), a learning- and performance-management consulting firm located in Colorado, talks about the considerations involved with planning an appropriate training solution for your organization.”

Boggs continues:

“Mark looks at such factors as budget, urgency, infrastructure, existing knowledge and experience, demographics, audience size, geographic locations, learning content, and others. Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.”
