

SyberWorks e-Learning Podcasts: Episode #17: *Is there really a workforce shortage?*

Waltham, Massachusetts – January 15, 2008

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode in their e-Learning Podcast Series: “Is there really a workforce shortage?”

Dave Boggs, CEO of SyberWorks, states:

“Today’s podcast presents our second interview with Jim Kissane, a noted Workforce Development expert, author of the Workforce Development Blog, and a Fellow at RedVector.com, an engineering- and construction-focused e-Learning content company. In this episode, we debate the question of whether there really is a workforce shortage in today’s labor market.”

Boggs continues, “Jim also discusses the labor shortage’s impact on talent acquisition and retention. He examines the labor factors that a company can control and those that they cannot.” Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.
