

SyberWorks e-Learning Podcast Talks With Guy Wallace About His e-Book “Management Areas of Performance.”

Waltham, Massachusetts – November 25, 2008

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces the next episode in their e-Learning Podcast Series: “Interview with Guy Wallace on His e-Book, ‘Management Areas of Performance.’”

Dave Boggs, CEO of SyberWorks, states:

“Today’s podcast is an interview with Guy Wallace, Certified Performance Technologist and the President of EPPIC, Inc. Guy has written an e-Book, ‘Management Areas of Performance,’ which presents a comprehensive scheme for managing performance in an organizational context.”

Boggs continues, “The e-Book is written for individual managers, human resource managers, and performance improvement professionals. It describes a useful method for defining managerial performance, deriving enabling competencies and attributes, planning for self-development, and integrating human-resource systems related to management.” “Management Areas of Performance” is free and can be downloaded from Guy Wallace's web site. Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.
