SyberWorks e-Learning Podcast Discusses Learning Management System (LMS) Integration with Salesforce.com

Waltham, Massachusetts – March 24, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces the next episode in their e-Learning Podcast Series: *"Learning Management System (LMS) Integration with Salesforce.com."*

Dave Boggs, CEO of SyberWorks, states:

> *"Today's podcast is an interview with Stuart Campbell, Director of Software Engineering at SyberWorks. In it, Stuart discusses his latest article, "Considerations When Integrating a Learning Management System (LMS) with Salesforce.com."*
Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.

SyberWorks e-Learning Podcast Series: Episode #29: *"Learning Management System (LMS) Integration with Salesforce.com"* http://www.syberworks.com/audio/elpodcast29.mp3 is located in the SyberWorks Online Media Center at http://www.syberworks.com/elearning_podcast.htm in the About Us section of the SyberWorks web site. The transcript is located at http://www.syberworks.com/website/elpodcast29_transcript.htm. The source article, *"Considerations When Integrating a Learning Management System (LMS) with Salesforce.com."* can be found at http://www.syberworks.com/articles/integrate-lms-salesforce.htm.

About Stuart Campbell

Stuart Campbell is Director of Software Development for SyberWorks, Inc., a privately-held supplier of e-Learning software and training. A native of the United Kingdom, he had previously served as a Principle Software Engineer, Senior Consultant, Senior Software Engineer, and Development Specialist for companies such as Brooks Automation Inc. (Chelmsford, Mass.); Digital Equipment (South Queensferry, U.K.); and Honeywell Control Systems (Motherwell, U.K.). Among his many roles at SyberWorks, he leads the software-development process and helps to build new software releases and update kits.

About the SyberWorks e-Learning Podcast Series:

The SyberWorks e-Learning Podcast Series is a monthly series that discusses helpful and influential topics in e-Learning, the Learning Management Systems industry, custom online training development, instructional design, performance management, and talent management. The SyberWorks e-Learning Podcast Series is produced by SyberWorks, Inc. as a free service for professionals in the e-Learning and Learning Management System industries.
