

e-Learning Lingo Podcast Defines “Amblyopia”

Waltham, Massachusetts – August 9, 2007

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode of the e-Learning Lingo Podcast Series about the term, Amblyopia.

Dave Boggs, CEO of SyberWorks, states:

“This week’s episode of the e-Learning Lingo Podcast series looks at a learning disability, “Amblyopia”. Amblyopia effects approximately from 1 to 5% of the population and is most prevalent in young children.”

The e-Learning Lingo Podcast: Episode #12 “Amblyopia”

About The e-Learning Lingo Podcast

The e-Learning Lingo Podcasts are created by SyberWorks, Inc. as a free service to academia, and a resource to the e-Learning industry at large. Each week, the e-Learning Lingo Podcast Series discusses one or two important terms used by professionals in the e-Learning industry. The e-Learning Lingo Podcast focuses primarily on terms used in e-Learning, Performance Management, and Human Capital Management. The podcasts themselves are very brief and are designed for busy executives or students who don’t have a lot of time.
