

SyberWorks announces a new article available in its Media Center: *"Make the Most of the Existing Tools"*

Waltham, Massachusetts –August 19, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces an article available in the SyberWorks Online Media Center: "Make the Most of the Existing Tools," by Steve Pena, Instructional Designer and Implementation Consultant for SyberWorks, Inc.

Mary Kay Lofurno, Director of Marketing at SyberWorks, states:

"In this article, Steve Pena discusses the next generation of e-Learning users. He talks about various technological tools, such as active images, web demonstrations, and Flash activities, as well as how they can be used to engage these new young learners."

The article is located in the SyberWorks Online Media Center at http://www.syberworks.com/pr_make-the-most-of-existing-tools.htm.
