

SyberWorks LMS e-Learning Implementation Podcast #5: *Interview with Candace Hall, Compliance Officer, Universal Healthcare, Inc.*

Waltham, Massachusetts –February 13, 2007

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode in their LMS e-Learning Implementation Podcast Series: “Interview with Candace Hall, Compliance Officer at Universal Healthcare, Inc.”

Dave Boggs, CEO of SyberWorks, states:

“In this edition of the SyberWorks LMS e-Learning Implementation Podcast Series, Candace Hall discusses their use of the SyberWorks web-based learning-management system to provide sales- and compliance-training for their general agents. Universal Healthcare, Inc. sells Medicare insurance across eight states in the south and the southwestern portions of the United States.”

Boggs continues, “Since Medicare is a highly regulated, government-sponsored insurance program, this episode presents a strong business case where sales and compliance training have an immediate impact on the company's financial performance. The interview discusses the types of training offered through the SyberWorks Learning Management System. Mary Kay Lofurno, Director of Marketing at SyberWorks, narrates the series.”
