

## **SyberWorks LMS e-Learning Implementation Podcast #7: Interview with Karen Lepley, Senior Training Specialist for Texas A&M University**

Waltham, Massachusetts –April 23, 2007

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, today announces the next episode in their LMS e-Learning Implementation Podcast Series: “Interview with Karen Lepley, Senior Training Specialist for Texas A&M University.”

Dave Boggs, CEO of SyberWorks, states:

*“In this edition of the SyberWorks LMS e-Learning Implementation Podcast Series, Karen Lepley discusses their use of the SyberWorks Hosted LMS Solution to create and deliver employee training. This podcast lets us examine some of the challenges faced by a large institution working to migrate from a traditional, paper sign-in system to a web-based learning management system.”*

Boggs continues, “Karen also discusses the phased-rollout approach that she used to implement their SyberWorks Hosted LMS solution throughout their organization. Her organization’s goal is to develop employee-training plans for every new hire and for current employees.”

SyberWorks LMS e-Learning Implementation Podcast Series, Episode #7: “Interview with Karen Lepley, Senior Training Specialist for Texas A&M University.” <http://www.syberworks.com/audio/texasam.mp3> is located in the SyberWorks Online Media Center at [http://www.syberworks.com/success\\_podcast.htm](http://www.syberworks.com/success_podcast.htm) in the About Us section of the SyberWorks web site. ### **About The Texas A&M University System**

The Texas A&M University System is one of the largest systems of higher education in the nation, with a budget of \$2.6 billion. Through a statewide network of nine universities, seven state agencies and a comprehensive health science center, the A&M System educates more than 103,000 students and makes more than 15 million additional educational contacts through service and outreach programs each year. Externally funded research brings in almost \$620 million every year and helps drive the state’s economy. For more information, see <https://financialaid.tamu.edu>.

### **The SyberWorks LMS e-Learning Implementation Podcast Series**

The SyberWorks LMS e-Learning Podcast Implementation Series looks at actual learning management system (LMS) implementations and e-Learning program rollouts. Developed for busy training and e-Learning professionals, they feature how corporations, governments, and non-profit organizations are using online training to improve performance, instruct employees, increase customer acquisition and retention, and more!
