

## SyberWorks LMS e-Learning Implementation Podcast 18: *Viola Hamilton-Wilkes of PneuDraulics, Inc.*

Waltham, Massachusetts – June 15, 2008

SyberWorks, Inc., a leader in the custom e-Learning Solutions and Learning Management System (LMS) industries, today announces the next episode in their LMS e-Learning Implementation Podcast Series: “Interview with Viola Hamilton-Wilkes of PneuDraulics, Inc.”

Dave Boggs, CEO of SyberWorks, states:

*“This month's episode describes PneuDraulics' use of the SyberWorks Learning Management System to track traditional on-the-job training (OJT) and classroom training for plant employees in a highly regulated manufacturing environment.”*

Boggs continues, “PneuDraulics produces precision hydraulic components for the aerospace industry, and is regulated by the Federal Aviation Administration (FAA), the European Aviation Safety Agency (EASA), the International Organization for Standardization (ISO 9000), and others. This podcast focuses on how the company uses the SyberWorks LMS to manage and report on their certification-training programs.”
