SyberWorks LMS e-Learning Implementation Podcast Discusses CMS, CDC and OSHA Training Requirements

Waltham, Massachusetts – September 15, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces the next episode in their LMS e-Learning Implementation Podcast Series: "*Interview with Paula Suyama of Liberty Dialysis LLC*"

David Boggs, CEO of SyberWorks, states:

> *"This podcast examines Liberty Dialysis's use of the SyberWorks Learning Management System (LMS) to provide staff education and training to employees throughout their nationwide network of dialysis clinics and facilities. Paula Suyama, Learning Center Manager for Liberty Dialysis, discusses their CMS, CDC and OSHA regulatory training requirements and various staff education initiatives for RNs, dialysis technicians, dietitians, social workers, biomedical technicians and other personnel."*

Boggs continues, "Paula also describes their use of the system's hierarchies and multiple presentation formats for standardizing competencies across all clinics." Mary Kay Lofurno, Marketing Director for SyberWorks narrates the series episode.
