SyberWorks Learning Management Software Announces Integration with CISCO WebEx Meeting Center™

Waltham, Massachusetts – April 27, 2010

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, announced today that the SyberWorks Training Center Learning Management System/Learning Content Management System™ (LMS/LCMS) has been integrated for use with Cisco WebEx Meeting Center™ from CISCO (NASDAQ: CSCO).

The CISCO WebEx integration capability allows clients to create, launch, and track web conference training sessions through the SyberWorks LMS/LCMS. Web conference sessions can be launched as a stand-alone session for any learner, or as part of class training in the SyberWorks LMS/LCMS. The SyberWorks Training Center LMS/LCMS offers robust reporting for administrators to track and report CISCO WebEx conference session invitations and attendance records.
David Boggs, CEO of SyberWorks, states:

> *"The CISCO WebEx Meeting Center™ is a dominant player in the conferencing and collaboration industry, and we are delighted to offer this capability via CISCO WebEx through the SyberWorks Training Center LMS/LCMS. The web conferencing integration completes the SyberWorks Learning Management Software Platform by eliminating any need for additional technology expenditure in regards to a company's e-learning program."*

For more information about the SyberWorks Learning Management System/Learning Content Management System and its CISCO WebEx integration, please call 888-642-7078 or email info@syberworks.com.

About Cisco Collaboration

From award-winning IP communications to mobility, customer care, Web conferencing, messaging, enterprise social software, and interoperable telepresence experiences, Cisco brings together network-based, integrated collaboration solutions based on open standards. These solutions, as well as services from Cisco and our partners, help promote business growth, innovation and productivity. They also help accelerate team performance, protect investments, and simplify the process of finding the right people and information.
