SyberWorks announces partnership with MapleLoft Learning Innovations

Waltham, Massachusetts – July 19, 2005

SyberWorks, a leader in custom e-Learning Solutions and the Learning Management System industry, announced today they have entered into a reseller agreement with Mapleloft LLC to sell their learning management system suite.

Dave Boggs, CEO of SyberWorks, states:

"When providing managed learning services, its critical to use a learning management systems (LMS) platform that has a robust feature set, is easy to administer, and is stable. We reviewed and tested other LMS platforms but found the SyberWorks Training Center Learning Management System to be a good value for the feature set it provides."

Dave Boggs, CEO of SyberWorks states, "The SyberWorks Training Center Learning Management System is feature rich e-learning technology that creates a strong, stable web-based training environment. We are excited to partner with MapleLoft and to be working with another Massachusetts company."

About MapleLoft, LLC.

MapleLoft Learning Innovations (www.mapleloft.com) is a premier provider of managed learning services and innovative training solutions. Headquartered in Burlington, Massachusetts and established in 1999, MapleLoft LLC has grown to be a leading provider of outsourced training solutions with a network of over 30 consultants supporting worldwide and multi-cultural organizations of all sizes and locations.
