

SyberWorks Learning Management Systems Launches New Web Site

Waltham, Massachusetts – April 14, 2009

SyberWorks, Inc., a leader in custom e-Learning Solutions and the Learning Management System (LMS) industry, today announces the launch of their new web site.

SyberWorks has created a new web site to reflect the growth of their product offerings. The new site is user-friendly and has a robust Media Center, which contains e-Learning articles, podcasts, blogs, RSS feeds, and more.

Mary Kay Lofurno, Director of Marketing at SyberWorks, says, “In our Media Center, we added more Web-2.0 features, like ‘email a colleague,’ social media, a downloadable Press Kit, and PDF versions of our articles, podcast transcripts, and press releases. Our goal is to make the SyberWorks Media Center a rich online information source for anyone interested in e-Learning and the learning-management-technology industry. Visit our site at: www.syberworks.com.”
