**Announcer:** The e-Learning Lingo Podcast.

**Mary Kay Lofurno:** Hello, this is Mary Kay Lofurno, Marketing Director here at SyberWorks. Welcome to the 96<sup>th</sup> episode of the e-Learning Lingo Podcast series. Last week, Dave Powell talked about “peer-to-peer networks.” This week, Dave defines “SCORM.” So I ask you, do you know your e-learning lingo?

[theme music]

**Mary Kay:** Hi, Dave. So tell us about SCORM?

**David Powell:** SCORM is an acronym for sharable content object reference model. This is a set of specifications and standards used in web-based e-learning.

**Mary Kay:** OK Dave, so how does it work exactly?

**Dave:** When followed the specification results in small reusable learning objects for online delivery. SCORM compliant course ware elements are easily merged with other compliant elements to produce a highly modular repository of training materials.

**Mary Kay:** Thanks, Dave. Have a great afternoon.

**Dave:** You too Mary Kay, talk to you soon!

**Mary Kay:** This is Mary Kay Lofurno, Marketing Director at SyberWorks. Thanks for listening to episode 96 of the e-Learning Lingo Podcast. This week, Dave Powell talked about SCORM. The episode 96 podcast audio and transcript will be posted on the e-Learning Lingo Podcast blog.

Next time on the e-Learning Lingo Podcast, we will talk about a term used in software development. Until that time, have a great week.

**Announcer:** SyberWorks Podcast. Learn any time, any place.
